MA PFAS & Your Health Study

AYER PFAS COMMUNITY FORUM

THURS, NOVEMBER 19, 2026

AYER SHIRLEY REGIONAL HIGH SCHOOL (*AND VIRTUAL*)

7:00 - 9:00 PM

Light refreshments will be provided.

Come hear a summary of the study & learn about the latest findings on past exposures to PFAS from drinking water among residents in Ayer.

Did you know:

- Where you lived in Ayer likely made a difference in your PFAS exposures.
- People with higher PFAS in their blood may have higher blood pressure.
- Other analyses on health effects from PFAS are underway.
